During the Public Comment period any member of the public may bring a matter to the attention of the Mayor and the City Council that is within the jurisdiction of the City Council. The Ralph M. Brown Act limits the Mayor's, City Council's and staff's ability to respond to comments on non-agendized matters at the time such comments are made. Thus, your comments may be agendized for a future meeting or referred to staff. The City Council may discuss or ask questions for clarification, if desired, at this time. We ask that you fill out a blue "Speaker Request Form". Speaker Request Forms are available at the meeting and on the city's website under the City Clerk page. ## Public Hearing

The public is encouraged to express your views on any matter set for public hearing. It is our procedure to first receive the staff report, then to ask for public testimony, first from those in favor of the project followed by testimony from those in opposition to it, and if there is opposition, to allow those in favor, rebuttal testimony only as to the points brought up in opposition. To testify on the matter, you need to simply come forward to the speaker's podium at the appropriate time, give your name and address and make your statement.
